# ABA Black Museum

It's More Than Just A Game!

## February 2021

Social justice has become a major part of sports with the NBA, NFL, MLB, NHL, NCAA all focusing on the subject. “The ABA is taking this one step further with actions in addition to words by providing education and economic empowerment, two things we believe are at the root of the problem,” added Newman. “The National Black History Museum and STAR are our way of making a real difference...fighting racism at its core and providing opportunities.

The ABA is more than just a game. For more information, visit [www.abaliveaction.com](http://www.abaliveaction.com), [www.tnbhm.com](http://www.tnbhm.com), or email [operationopenup@gmail.com](mailto:operationopenup@gmail.com).
