We continue to set the standards for ABA basketball.

Our vision for the Sizzlers is to grow and maintain the top reputation not only in our South Central region but in the entire league while being the most professional basketball team in the (ABA). Our mission emphasizes that this is only possible through inspiring competitive games and community service that is driven by integrity. To achieve this, the Sizzlers borrow from its core values which comprise "integrity, teamwork, respect, and innovation." These are the main elements that

enable the organization to remain focused on its mission and vision. With our vision, it is plain to see why we are constantly improving the core aspects of the sport and the business of sport, including ethics to ensure that it sets the best standards for other teams in the ABA to emulate. Other than this, the KC Sizzlers shows that it is truly "More Than A Game" through its Jr. Sizzlers, STAR and ASAP programs, where it gives back to the community.
